

Premium Ethiopian Strawberries

Freshness. Quality. Reliable Supply.

Growing Freshness. Delivering Trust.

Beeco produces premium-quality strawberries in Ethiopia using modern greenhouse technology, professional agronomic practices and rigorous quality-control systems. We combine consistent quality, traceability and sustainable production with reliable export capability to build long-term partnerships.

QUALITY

Premium fruit with strong freshness, appearance and taste.

RELIABLE SUPPLY

Planned greenhouse production supporting consistent supply.

FOOD SAFETY & TRACEABILITY

Systems aligned with international food-safety and compliance requirements.

SUSTAINABILITY

Responsible resource use, soil-health
